

FUEL THE TRADES REOPEN THE ARK

MORNING OIL
COFFEE

SEPTEMBER 12, 2026
EVENT HOURS: 9 AM - 3 PM

 **700 E Union St., Jacksonville, FL 32206**

America's first trade-focused coffee shop is opening its doors on the Eastside, and we're opening them for a reason.

HELP US RAISE \$200,000

Join us for the Morning Oil Grand Opening, a community celebration and a fundraiser to reopen The ARK, a housing and trades training facility in Springfield where young men will eat, sleep, be mentored, and be trained in the skilled trades to go out and revitalize Jacksonville.

The money raised will be used to install the sprinkler system needed to legally **reopen The ARK.**
