

# Bricks Bots & Beakers

## Classes    Camps    Workshops    Birthday Parties

B3 programs focus on STEAM with the 4 C's of 21<sup>st</sup> century learning: Critical Thinking, Communication, Collaboration, and Creativity & Innovation.

B3 STEAM programs for kids age 3-14 will soon be offered in several St. Johns & Duval County Schools. To stay updated, please join our mailing list.

**Bricks** – From step-by-step building classes for kids who like structure, to creative, open-ended classes for kids who like to explore, our programs appeal to all learners.

**Bots** – Coding comes naturally to children through the authentic, real world application of programming robots.

**Beakers** – From forming hypotheses to drawing conclusions, kids become scientists and have a blast.
